BEING PRACTICAL

No ambition can help any man unless he is practical. Set your eye on a star, but don't forget to see it from the down-to-earth view. That will strike a balance between vision and workability.

It is never good to have your head so high in the air you cannot see where you are stepping; nor so low you cannot see to reach above yourself. Some toe-stumping can be avoided by looking where you are going.

Adapting your life to practically, step by step, may not be the most visionary, but it is the most fruitful.

A man gazing on the stars is proverbially at the mercy of the puddles on the road.

Alexander Smith 1830-1867

The wise man's eyes are in his head; but the fool walketh in darkness.

Ecclesiastes 2:14

GOD grant me the Serenity to accept the things I cannot change... the Courage to change the things I can...and the Wisdom to know the difference.

Give thanks unto the Lord for He is good.

Psalms 118: 1
