## **SWALLOW PRIDE**

*Some people have indigestion because they have trouble swallowing their pride. And if it were not so inflated, it would not be so hard to swallow. It is too big.*

*Don't confuse the issue: It's all right to hold up your head --- you should --- but do so without turning up your nose. Now it is the turned-up nose group that is so proud of so little. They crave halos when they are not holy, chief seats when they are not leaders, honor when they are not honorable, and recognition while they hope they are, will not be recognized.*

*They have fed on the wrong stuff!*

*Upon what meat doth this our Caesar feed, that he is grown so great?*

*William Shakespeare 1564-1616*

*And man's pride shall bring him low: but honor shall uphold the humble in spirit---  
Proverbs 29:23*

### **Traits Passed From Parents To Children**

*A father, mother, and their three sons, John (the oldest), Mike (middle), and Steve (youngest), were conversing around the table after dinner. The subject of traits of parents being passed on to children came up. The father said, "John has my eyes, Mike has my creativity, and Steve has my intelligence." Steve responded, "Daddy, what is intelligence?"*
