## **BE LOYAL TO SELF**

*Self-loyalty! An ingredient of every worthwhile: character, goodness, honor, accomplishment!*

*We can survive the betrayal of supposed friends, but not self. In tragic life, the disloyalty that destroys is within. There the plot thickens. There the villain resides. The Judases without are not half as deadly as the Judas within. Others can let us down and we can still come out on top, but not if we let ourselves down. It is hard to recover from self-inflicted blows.*

*Be true to self and you can look friend and foe in the eye; betray yourself and your countenance falls.*

*Leroy Brownlow*

*In tragic life, God wot, No villain need be! Passions spin the plot: We are betrayed by what is false within.*

*George Meredith*

***Create in me a clean heart, O God; and renew a right spirit within me***

***Psalms 51:10***
