NOT SKIN DEEP

The fairest beauty is that which no camera can catch. When beauty is only skin deep, others can see beneath the surface. Outward beauty intoxicates the eye, but inward beauty grabs the heart.

The comeliness which catches the eye can be deceptive, a pretty body with an ugly heart. External handsomeness is the package nature provides, but internal handsomeness is the contents man develops. Only a few can have the former, but there is no excuse for anyone's not having the latter. Where values are concerned, it is a poor product when the container is worth more than the filling.

Handsome is as handsome does.

Oliver Goldsmith 1728-1774

Thou....hast made they beauty to be abhorred.
