## ***Enriched By Giving***

*Giving is better than receiving, though it is contrary to popular belief. Of course, receiving is good; if not, giving is not good, for you can not have one without the other. But of the two, giving is much more rewarding.*

*Julius Caesar is reputed to have said that no music was so charming in his ears as the requests of his friends, and the supplications of those in want of his assistance.*

*A giving hand is a gathering hand---collects more than it hands out. It is most ennobling. It is the life of love. It is humanity's touch of divinity in one word.*

*Give! As the morning that flows out of heaven;*

*Give! As the waves when their channel is riven;*

*Give! As the free air and sunshine are given;*

*Lavishly, utterly, joyfully give!*
