## **ANNO DOMINI**

*A. D. —in the year of our Lord. And while we know not the day he was born, we know he was. How great the influence of that lowly carpenter. So much that men began to reckon time by his coming, and now no one can date a letter without acknowledging his birth.*

*Yet he never did the things which ordinarily accompany renown; like go to college, write a book, lead a military force, head a government; but he is recognized as the Master Teacher. He is the author of the New Testament, Commander of the mightiest army, King of Kings; and though he was the object of strife, he is celebrated as the Prince of Peace.*

*Leroy Brownlow*

*The sages and heroes of history are receding from us, and history contracts the record of their deeds into a narrower page. But time has no power over the name and deeds and words of **Jesus Christ**.*

*William Ellery Channing*

*For unto us a child is born...and his name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace. —Isaiah 9:6*
