

# CANTON CHURCH OF CHRIST

**February 12, 2023**

*We are happy to have you with us for worship today. Please come back at any opportunity you may have. We hope that you find your visit with us spiritually beneficial.*

## ***Leave a Better World***

*Each generation has the right to use the world, but not abuse it. The who-cares philosophy, which gets what you can, anyway you can, as long as you can; leaves a wasted world in its wake.*

*If our hands are thieves which snatch the wealth of ages; if our feet are block busters which trample nature's provisions; if we are a people whose sensitivity is seared to polluted streams, poisoned air, huge debts and dog-eat-dog morals, we are more than exploiters – we are culprits whose prodigality shall affect the unborn.*

*So let us ask: When we vacate this old world and new tenants move in, what will they find?*

*Leroy Brownlow*

*It pays....to try and do things, to accomplish things in this life, and not merely to have a soft and pleasant time.*

---Theodore Roosevelt

*One generation passeth away, and another generation cometh: but the earth abideth forever. ---  
Ecclesiastes 1:4*

## **HAVE YOU OILED YOUR BIBLE?**

*Fred W. Cropp, President of the American Bible Society, once received a letter asking, "What do you recommend for keeping the leather of Bibles from getting stiff, cracking, and peeling?"*

*His reply was, "There is one oil that is especially good for treatment of leather on Bibles. It will ensure your Bible stays in good condition. It is not sold but may be found in the palm of the **human hand**".*

*Have you been "oiling your Bible" lately? Reading just four chapters a day will complete the entire Bible in a year; one chapter a day will complete the New Testament in two hundred and sixty days; three chapters a day will finish the New Testament four times a year; nine chapters will complete it once a month.*
